

CHEMISTRY MINOR

Exploration and Discovery

Students should take seven to eight credits of lower-level (1000/2000) general chemistry and eight credits of upper-level (3000/4000) courses consisting of organic/upper-level chemistry courses in order to complete this minor. CHDI course credits will not count toward the minor.

Please see complete information on all of the requirements (<https://coursecatalog.plymouth.edu/undergraduate-programs/minors/>) to earn a minor at Plymouth State University.
