

CHILD WELFARE AND FAMILY STUDIES MINOR

Health and Human Enrichment

The minor in Child Welfare and Family Studies gives students the opportunity to study the role of families, schools, the community, and government in the health, safety, and well-being of children and families. It examines common family problems, as well as strengths, and explores models of prevention and intervention to preserve and improve family life.

Please see complete information on all of the requirements (<https://coursecatalog.plymouth.edu/undergraduate-programs/minors/>) to earn a minor at Plymouth State University.
