

# ENTREPRENEURSHIP MINOR

---

Are you thinking of a future in which you may want to create your own products, services, or a company? A minor in entrepreneurship can help ensure your future success. No matter your major or career aspirations, anyone can benefit from an innovative mindset and the essential business acumen necessary to bring your ideas to life. The entrepreneurship minor introduces you to the skills, abilities, and knowledge necessary to be effective entrepreneurs, intrapreneurs, social change makers, or small business leaders; skills that are not just valuable to you but highly sought by today's employers looking for enterprising and creative associates.

Please see complete information on all of the requirements (<https://coursecatalog.plymouth.edu/undergraduate-programs/minors/>) to earn a minor at Plymouth State University.
