

ENVIRONMENTAL SCIENCE & POLICY MINOR

Tourism, Environment, and Sustainable Societies

Degree Requirements

A minimum of 15 credits is required to complete the Environmental Science and Policy minor, with six or more credits at the 3000/4000 level. Students pursuing the Environmental Science and Policy major are not eligible for the minor. Students with the minor must complete six credits of upper-level courses outside of their major. Students can count ESP 2100 OR ESDI 2500 toward the minor, but not both given course overlap.

Please see complete information on all of the requirements (<https://coursecatalog.plymouth.edu/undergraduate-programs/minors/>) to earn a minor at Plymouth State University.
