- 1- Students may request one INCP-designated course addressing a relevant topic to count as one of their electives. The requirement must be reviewed and approved by the Substance Use and Prevention Council Coordinator.
- 2- Up to 6 credits of internship can count toward SUPI minor elective credits. Internship must be approved by SUPI Council Coordinator. Student in Major programs with internships may choose to create an internship through their major program. This pathway also requires approval from the SUPI Council coordinator.
